

Structured By Nature **Glass Cleaner**

For a Streak-Free, Fast Drying SHINE

Nilodor's **Glass & Window Cleaner** delivers spotless, streak-free cleaning of glass, windows, mirrors and appliances. Cuts through dirt, grime, grease, smoke, film, oil, fingerprints and chemical surface film. Our Glass Cleaner contains no ammonia. Glass and mirrors instantly become sparkling clean. Glass Cleaner leaves a pleasant, clean citrus scent long after you are finished.

Nilodor's **Glass & Window Cleaner** is ready-to-use and fast drying. It can also be used to clean appliances and chrome leaving a streak-free shine.

Multi Purpose **Glass & Window Cleaner** Key Benefits:

- Leaves no residue on surface
- Streak free cleaning
- Ammonia free
- Ready-to-use

Who would use Multi Purpose **Glass Cleaner**:

- Building Maintenance
- Hospitality
- Food Service
- Health Care
- Museum
- Public Transportation
- Airports

General Use Directions:

1. Spray Glass & Surface Cleaner directly onto the surface or onto a microfiber cloth.
2. Wipe the surface until it is clean and dry.
3. If using a squeegee, apply the cleaner to the surface, scrub to loosen soil, and squeegee.
