Restroom, Locker Room & Showers

Hard Surfaces - Mop floors with Oxy-Force® for general cleaning or add Nilium® to your favorite cleaner and disinfectant for odor control. Shower Areas - Using OXY-Force® in a routine cleaning will eliminate odors and soap scum build up in shower room area. Mop with Grout HD to revitalize tile and grout. For mildew and mildew stains use Mold & Mildew Stain Remover. Mount ULTRA AIR Room Freshener in the shower area to help control odors. Spray Natural Touch™ Fabric Refresher on carpeting and around locker room area or spray ODOR LOCK Fogger to help control odors.

Urine Odors - Single source removal with Bio-Enzymatic URINE Digester around the urinals, toilets, flooring, etc. will break down, digest and remove odor causing bacteria. Great on carpet stains. Urinals / Toilets - Replace ULTRA AIR urinal screens, screens with blocks or toilet bowl clips every 30 days to help eliminate odors and help keep drain lines clear and free flowing. For extra floor protection use Urinal and Commode guards to help prevent slipping and urine build up. Drain Odors - Pour Bio-Enzymatic URINE Digester into drain lines to keep odor and clog free. Drain Flies pour ZYMECling, a thick, clinging bio-enzymatic formula, in the drains to help remove hard to reach organic matter (food source of the drain fly) from piping walls. Also, will help eliminate odors and improve drain flow.

Air Freshening - Nilotron™ standard or MICRO metered aerosols and dispenser will provide around the clock fragrance and odor protection. You can also use a passive system. Our ULTRA AIR Clips, Hangers or Room Freshener is an effective option.

General Cleaning Areas

Factory Work Area - For large area deodorizing, place the superSOCK Deodorizer near the odor source. For cutting oils, foundry dirt and holding tanks, add Nilecho® to deodorize the odors. For excess oil around the machines, sprinkle Nilodew.

Warehouse Area - For large area deodorizing, hang the superSOCK Deodorizer. Floors & Walls - Use Chute & Dumpster Wash™ in routine cleaning to help eliminate build-up and odors.
**General Cleaning & Deodorizing**

**Air Freshening** - Use Nilotron™ standard or MICRO metered aerosols and dispenser, or you can also use our passive system, ULTRA AIR Clips, Hangers or Room Freshener for around the clock fragrance and odor protection. For large area deodorizing, use Odor Lock Full Release FOGGER.

**General Cleaning** - For mopping/hard surface cleaning, add Nilium™ to your favorite cleaners and disinfectants for odor control. For mopping and cleaning of hard flooring and surfaces, use Microfiber Multi-Purpose Cleaner to eliminate streaking and hazing sometimes caused by traditional cleaners. Designed to be used with microfiber technology. Stainless Steel - Spray and wipe EcoLogo™ approved Structured by Nature Stainless Steel Cleaner on all stainless steel and polished brass to eliminate finger prints and smudges. Accidents, including spills/sickness or mishaps, can be controlled with Nilogel™ Vomit/Odor absorbent.

For general odor control, add one Vac Disc to the top of your vacuum filter system or in self-contained Heating & Air Conditioning units.
