

Gone For Good Deodorizer

Ready-To-Use pH 6.5 - 7.5

Gallon 4/cs.

C269-005

Certified **GFG!!** is a scientifically formulated deodorizer that will destroy odors caused by smoke, sewage, organic decay, spoilage, sulfide malodors, plumbing odors and is especially effective on urine odor in carpet. **GFG!!** is used when nothing else is going to do the job. **GFG!!** is used for the very worst malodor problems. Residual action is long lasting. Ideal for use in hospitals, nursing homes, hotels, restaurants, etc. **GFG!!** is totally safe to use. It is non-toxic, non-cationic, non-flammable, non-allergenic and non-corrosive. Masks and/or respirators are not necessary, but it's always a good idea to take safety precautions. Certified **GFG!!** may be applied to any candidate surface or environment in a sprayer/fogger. Use **GFG!!** to deodorize carpets, floors, walls, ceilings and fabrics and wherever environmental contaminants create malodor problems.

DIRECTIONS FOR USE

Shake well before using. Test fabric in inconspicuous place for color fastness before using.

ULV fogger or sprayer applications:

Use Certified **GFG!!** full strength.

Humidifiers & Vaporizers:

Add 3 ounces (85 mL) of **GFG!!** to each gallon (3.78 L) of water to clear the air of unwanted odor.

In mopping, wiping solutions:

Add 6 ounces (170 mL) to each gallon of water or cleaning solution.

Plumbing odors:

Pour 6 ounces (170 mL) of **GFG!!** down any foul smelling drain.

Area deodorizing using sprayer: Dilute 1 part **GFG!!** to 3 parts water

Urine odors in carpets:

Inject **GFG!!** full strength into carpet backing and pad. Clean carpet in normal manner, then mix **GFG!!** 50-50 with water and spray on the affected area. Results may not be noticeable for 24-36 hours.

NOTE: Cannot be added to carpet cleaning detergents.
