

Remove unwanted Static Electricity

Ready-To- Use pH 7-8.5

Gallon 4/cs.

C275-005

55 Gallon

C275-001

Static Relief prevents the accumulation of static electricity in carpeting. **Static Relief**, when applied properly, will prevent unpleasant shocks from static electricity due primarily to low humidity in houses, businesses, hospitals, nursing homes or where computers are used. Certified's exclusive properties prevent soiling or yellowing and will not cause mildew.

DIRECTIONS FOR USE

Shake well before using. Test fabric in inconspicuous place for color fastness before using.

1. Normal application, dilute 1 quart to 3 quarts water.
2. Spray to cover 200-250 square feet of carpet using airless pressure equipment.
Do not aerosolize.
3. Do not over use.

NOTE: A filter respirator is recommended during application.
