

# CERTIFIED<sup>®</sup>

An aerosol spot remover that works on oil soluble spots.

# DOCTOR SPOT<sup>™</sup>

## Aerosol Spotter

**R.T.U.**

Doctor Spot is a handy, easy-to-use aerosol spot remover for all oil soluble spots such as tar, wax, grease, fats, gum, etc. Works well with Doctor Stain to keep carpets stain free. Used by professional cleaners for years with outstanding results.

**15 oz. 12/cs.**  
C340-008

### DIRECTIONS FOR USE

**Shake well before using. Test fabric in an inconspicuous place for color fastness before using.**

1. Do not over-wet latex backed fabrics.
2. For heavy stains, spray 3" to 5" from fabric (from outside to center with a circular motion.)
3. For light stains, spray 5" to 7" from fabric.
4. Work in with a spatula or dull blade.  
Caution: Excessive rubbing or brushing may result in distortion of nap.
5. Scrape up softened crud or gum with spatula.
6. Blot and wipe with a clean white cloth.
7. Repeat as often as necessary.
8. Residues left after using Doctor Spot may be removed by using Doctor Stain, a professional formula for water soluble spots and stains.
