

# Neutralize Industrial, Commercial And Agricultural Odors

Oil soluble **Nilecho** may be used full strength or diluted with mineral spirits. It is formulated for most types of fog and/or vapor equipment. For many applications, a thermal fogger is recommended.

Years of testing have proven Nilecho's strength and efficiency. Oil-soluble Nilecho is an economical solution for severe agricultural, industrial and commercial malodors.

**Nilecho** is 100% active, environmentally safe, and may be used in proximity to animal feeding areas. Nilecho is "acceptable for use in inedible product processing areas, non-processing areas, and/or exterior areas of official establishments operating under the federal meat, poultry, shell egg grading, and egg products inspection programs."

### Suggested Uses and Directions:

APPLICATIONS	PROBLEMS	DILUTION	RECOMMENDATIONS
Drain	Trap odors	Straight	Pour 1-3 oz. in drain for temporary relief of trap odors.
Fire	Permanent relief of smoke/burnt odors	Straight	Use with fogging equipment to eliminate smoke or burnt odors permanently. May also be applied directly to burnt surfaces. Use thermal fogger for optimum results.
Insecticides	Inherent odor	1-2 oz.: gal.	Add to oil-based insecticides to eliminate inherent odor of insecticides.
Paint	Paint fumes	1/2-1 oz.: gal.	Add Nilecho to oil-based paint to eliminate paint fumes during and after application. (Use Nilium for elimination of latex paint fumes.)
Restrooms	Outdoor restroom odor	Straight	May be sprayed in outdoor restrooms.
Sewer	Sewer/pond odor	1 qt.: 10,000 sq. ft.	Drip into sewer or pond for deodorization of obnoxious sewer odors.
Machine Cutting Oils	Rancid odor	2 oz.: 16 gal.	Add to oil-based cutting fluids to eliminate rancid, heavy odor.

CAUTION: KEEP OUT OF THE REACH OF CHILDREN. For Professional Use Only. Not for internal consumption. If product is ingested, induce vomiting and consult physician. If contact occurs with skin, wash with soap and water. If the product comes in contact with eyes, flush with copious amounts of water. If any irritation persists, contact physician. For additional information/precautions refer to material safety data sheet or product label.
