

NO FREEZE Cleaner

Cold Storage Food Lockers Freezers

NO FREEZE is a ready to use freezer cleaner for floors, walls, and equipment in cold storage and sub-freezing areas in temperatures to -40°F. Immediately starts to dissolve grime and suspend soils, and aids in melting existing ice build-up. **NO FREEZE** will not harm concrete or leave any slippery residue.

NO FREEZE gives a fast, efficient, and practical means of cleaning frozen food storage areas where conventional cleaners freeze solid.

Cleans & degreases in sub-zero temperatures

No phosphates, methanol and alcohol FREE

Non flammable

DIRECTIONS:

MANUAL CLEANING- Apply **NO FREEZE** by spray, mop, or sponge and follow by scrubbing or aggressive double brushing. Pick up soiled residue by wiping, mopping, or using a wet vacuum.

AUTOMATIC SCRUBBER- Fill supply tank with **NO FREEZE**, apply solution with scrubbing action. Allow **NO FREEZE** to dwell for a few minutes - then lower squeegee blade, scrubbing again, and pick up. For best results, use an aggressive pad such as steel wire, and double-scrub.

ROTARY FLOOR MACHINE- Spray, mop, or spread **NO FREEZE** on surface, scrub and allow solution to dwell on surface for a few minutes. Scrub again and pick up soiled solution with wet vacuum or mop. For best results, use an aggressive pad such as steel wire.

Rinsing is not needed, but may be done to remove any remaining soft dirt and loose grime.

Warning-this product contains chemicals known to the state of California to cause cancer, birth defects, or other reproductive harm. Wash hands after using

Cleans & Degreases in Sub-Zero Conditions
