Length:	11 in [28 cm]
Warranty	One year limited warranty
Stock Number	#533010

How easy is it to use the Fogmaster?

It's easy to use. Twist the power head to detach the 1 quart tank and pour in your solution. Another half twist and you're ready to go. Switch on the handle to run. Adjust output size, from a fine, light fog/mist to a coarse mist (average discharge range is 6-8 ft).

For clean up, just drain liquid from internal lines after fogging/misting.
