

USE THIS BOTTLE ONLY FOR

# Odor-Bane™

## WATER SOLUBLE DEODORIZER

Odor-Bane™ is a highly effective deodorizer that neutralizes odors caused by smoke, vomit, urine, etc., and leaves a fresh, pleasant fragrance in any room. Can also be fogged, sprayed or used during routine cleaning procedures.

Shake well before using.

**For Carpet and Upholstery Deodorizing:** Add 1 oz. (30 mL) of Odor-Bane™ to a quart (liter) of water. May be sprayed or fogged. Avoid excessive breathing of spray mist. Eye protection and mist filter mask should be used for large scale spraying or fogging. **When used during cleaning:** Add 1/2 to 1 oz. (15-30 mL) of Odor-Bane™ to each gallon (3.78 L) of stock solution. Certified Odor-Bane™ is compatible with all Certified shampoos and extraction cleaners. **When mopping:** Add 2-4 oz. (60-118 mL) of Odor-Bane™ per gallon (3.78 L) of cleaner/disinfectant solution. Severe malodors may require more.

Do not handle until all safety precautions have been read and understood. **KEEP OUT OF REACH OF CHILDREN. READ LABEL BEFORE USE. FOR PROFESSIONAL USE ONLY. SHAKE WELL BEFORE USE.** Harmful if inhaled. Harmful if swallowed. Harmful in contact with skin. Causes skin/eye/respiratory irritation. Wash hands thoroughly after use and before eating. Avoid breathing fume and spray mist. Keep away from food and drink. For additional information/precautions refer to product safety data sheet or information sheet. **FIRST AID:** If inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention immediately. If Ingested: Do NOT induce vomiting. Wash out mouth thoroughly. Immediately call a POISON CENTER or physician. If on skin: Gently wash with plenty of soap and water. If skin irritation occurs, get medical attention immediately. **IN CASE OF FIRE:** Use water spray, foam, dry chemical powder, or carbon dioxide. NOTE: Freezing will not affect cleaning power. Thaw, shake well and use. **Storage & Disposal:** Do not store above 120°F for extended periods. Keep container tightly closed in a cool, well ventilated place away from direct sunlight. Dispose of contents and container according to the local, city, state and federal regulations. **EMERGENCY HOTLINE NUMBER:** You may contact Chem-Tel 1-800-255-3924 for emergency medical treatment information.

WARNING

**INGREDIENTS:** Water (CAS# 7732-18-5), Nonionic Surfactant (CAS# 68439-46-3), Sodium Xylene Sulfonate (CAS# 1300-72-7), Sodium Benzoate (CAS# 532-32-1), Odor Counteractant (CAS# NA)
