Nilium is the most effective water-soluble odor counteractant available. **Nilium** will neutralize malodors instead of simply masking them. Most other deodorants contain perfumes which merely cover up or provide a fragrance for a very short time. **Nilium** will provide immediate relief from the malodor leaving a pleasing fragrance. One application of **Nilium** will counteract odors up to 24 hours.

MOPPING OR CLEANING: Add 1 ounces (30 mL) of Nilium per gallon of cleaner/disinfectant solution. Severe malodors may require more.

AIR FRESHENER: Add 1-2 ounces (30-60 mL) of Nilium with water per quart spray bottle.

CARPET CARE: Pretest for color fastness: Add 1/2 ounce (15 mL) of Nilium to one gallon of carpet cleaning solution. Compatible with all water soluble carpet chemicals...including fifth generation cleaners.

Nilium Purple CRUSH Deodorizer

Quarts / 6 cs. 32 WSPC
Gallons / 4 cs. 128 WSPC

Purple CRUSH™ is a multi-purpose cleaner that leaves a long-lasting fragrance. Purple Crush's advanced formula penetrates deep into the surface to remove grease and grime. **Purple CRUSH™** has a neutral pH making it safe for humans, pets and surfaces and is biodegradable.

DIRECTIONS: Add 2-3 ounce (60-90 mL) to one gallon of water. Spray on and wipe off or apply with mop, sponge or scrubber. No rinsing required. When used as directed, it is gentle enough for fabrics, hand laundering, carpeting and upholstery. For carpet and fabric, test on hidden area for color fastness before use. For heavy cleaning, apply a heavier dilution or repeat applications, rinse well.

Purple CRUSH Multi-Purpose Cleaner

Quarts / 6 cs. 32 PCLN
Gallons / 4 cs. 128 PCLN

RESTROOM ODORS: Spray full strength on or around toilets and urinals. Spray grouting and allow to soak in and air dry. Dilute 1:8 parts (30:237) for mopping applications.

MULTI-SURFACE ODORS: Dilute 1:16 parts (30:473) for use on all water-safe surfaces.

CARPET AND UPHOLSTERY ODORS caused by urine, feces, vomit, spoiled foods or other organic wastes: Pretest for color fastness. Clean area with wet sponge. Dilute 1 oz. (30mL) of product with 2 oz. (60mL) of warm water. Saturate surface with mixed solution and brush in well. For older, more difficult odors, it may be necessary to repeat procedure or inject into carpet backing.

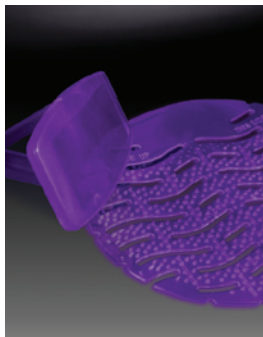

SEPTIC OR HOLDING TANKS: Pour 1 qt. (1 liter) for initial treatment of a 500 gal. (1,893L) tank. Thereafter, use 1 pt. (473mL) per week.

PLUMBING MAINTENANCE: For slow drains, pour or inject 4-6 oz. (118-177mL) per week into drain.

GREASE TRAPS: Pour or inject 1 qt. (1 liter) into average grease trap for initial treatment. Thereafter, treat trap with 6-8 oz. (177-237mL) per day.

Purple CRUSH Urine DIGESTER
